

Tworent Refurbishment Brings New Lease of Life to Argyll Street

Local property service, Tworent, has recently completed an extensive refurbishment of properties in Argyll Street, Alloa. Bringing a new lease of life to what was formerly a troubled area of the town, creating six well appointed two bedroom flats.

Councillor Kenneth Earle, commented:

“As a local councillor I am delighted that this quality refurbishment has so effectively regenerated the area, creating desirable homes and encouraging responsible citizens to live there.”

The company is run by husband and wife team Mark and Anna Kennedy-Stewart from offices in Falkirk and in Alloa. The company is continuing to expand and is opening it's first English office in Luton next month, and actively looking for more properties in the area.
